

CHABAD HEBREW SCHOOL

Grades 5-6 / 2020-21

LIFECYCLE

The student will study the Jewish perspective and customs of life-cycle events, such as birth, Bris/baby-naming, Bar/Bat Mitzvah, wedding and then death. The aim is to familiarize the student with the Torah's view of these important events, and to give them a working understanding of the specific ceremony's nuts and bolts.
